

YARD SALE FUNDRAISER

Saturday, September 5th 7:00am to Noon, 2425 Mankas Blvd. in Fairfield

We'll pick up donated items to sell, or you can drop by and find some new stuff!

Hey, Solano County!

Do you have a bunch of stuff taking up room in your house or garage? Old clothes, books, movies or furniture you don't need anymore? What about tools or household appliances? Now you can get rid of the junk and help out a local child at the same time!

This is Riley

Riley is a 12 year old who has been diagnosed with high functioning Autism and Asperger's. In fifth grade Riley was bullied for being "different". He has a tough time when he's around groups of people, and a service dog would allow him to live a full life! Right now he's home schooled.

This is the puppy we're hoping will become his service dog! A service dog would help Riley stay calm when in groups. He would even be able to attend school! Unfortunately it's \$4,000 for a trained service dog. This yard sale will help pay for the dog!

So, if you want to get rid of that stuff that you haven't used in soooo long, let us know! We'll figure out a way to get it to the yard sale. Or stop by and get some new stuff!
